MATHEMATICAL CONFERENCES

1989

with foreign participation, organized by the Faculty of Mathematics and
Physics, Charles University, Prague, Czechoslovakia

WINTER SCHOOL "GEOMETRY AND PHYSICS"

7.-14.1. 1989, SRNÍ

(Main organizer: Union of Czechoslovak Mathematicians and Physicists)

Topics: superstring theories in physics and mathematics, harmonic analysis
and invariant operators, differential topology and rational homotopy theo-
ry, Riemannian geometry and geometry of higher order, geometrical methods in
physics.

Mailing address: V. Souček, Dept. of Mathematical Analysis, Charles Universi-
ty, Sokolovská 83, 186 00 Praha 8, Czechoslovakia

17th WINTER SCHOOL ON ABSTRACT ANALYSIS

14.-21.1. 1989 (section topology), 21.-28.1. 1989 (section analysis), SRNÍ

Topics: general topology, topological dynamics, categorical topology, theory
of categories, combinatorics and graph theory, Boolean algebras;
general mathematical analysis with emphasis on the theory of Banach spaces
and measure theory.

Mailing address: A. Kotěšovcová, KAM MFF UK, Malostranské nám. 25, 118 01
Praha 1, Czechoslovakia

MATHEMATICS IN THE ALTERNATIVE SET THEORY

28.5.-3.6. 1989, STARÁ LESNÁ

(Main organizer: Union of Slovak Mathematicians and Physicists)

Topics: basic ideas of the AST, mathematization of different phenomena in AST

Mailing address: P. Zlatoš, KATČ MFF UK, Mlynská dolina, 842 15 Bratislava,
Czechoslovakia

6th EUROPEAN YOUNG STATISTICIANS MEETING

21.-25.8. 1989, PRAHA

(Main organizer: Union of Czechoslovak Mathematicians and Physicists)

Topics: mathematical statistics, probability theory

Mailing address: M. Hála, Faculty of Civil Engineering, Czech Technical Uni-
versity, Thákurova 6, 160 00 Praha 6, Czechoslovakia

EQUADIFF 7 - CZECHOSLOVAK CONFERENCE ON DIFFERENTIAL EQUATIONS AND THEIR APPLICATIONS

21.-25.8. 1989, PRAHA

(Main organizer: Mathematical Institute of Czechoslovak Academy of Sciences)

Topics: Ordinary differential equations, partial differential equations, numerical methods and applications

Mailing address: J. Jarník, Mathematical Institute ČSAV, Žitná 25, 115 67 Praha 1, Czechoslovakia

SOFTWARE AND ALGORITHMS OF NUMERICAL MATHEMATICS EXTRA 1989

4.-9.9. 1989, SRNÍ

Topics: nonlinear numerical analysis, num. treatment of singular points of nonlinear maps

Mailing address: I. Marek, Dept. of Numerical Mathematics, Charles University, Malostranské nám. 25, 118 01 Praha 1, Czechoslovakia

SESSION ON AUTOMATIC PROCESSING OF TEXTS

14.-17.11. 1989, PRAHA

Topics: machine translation, linguistic aspects of artificial intelligence, automation in information retrieval, typology of language

Mailing address: E. Hajičová, Dept. of Applied Mathematics, Charles University, Malostranské nám. 25, 118 01 Praha 1, Czechoslovakia
