Journals in Translation

The fourth edition of *Journals in Translation* is now available. Priced at £ 40.00 in the UK and £ 44.00 overseas, it is published jointly by BLDSC and the International Translations Centre in Delft. *Journals in Translation* is an invaluable and unique guide to cover-to-cover and selective translated journals, along with multi-source translation serials including those published by government sources in the United States.

To mark Maurice Line's retirement, the Document Supply Centre is publishing a book entitled *Line on Interlending: Selected Papers on Interlending and Document Supply*. Edited by Graham P. Cornish, the book includes a profile of Maurice Line, over 20 of his published papers in the field of interlending and document supply, and a complete bibliography of all his writings in the field.
