TURKIC LANGUAGES

Information and Guidelines for Contributors

Contents. TURKIC LANGUAGES contains articles, review articles, reviews, contributions to discussions (remarks and replies), reports, surveys of publications, lists of publications received, and addresses of contributors.

Original contributions. As a rule, only original contributions are accepted. Submission of a manuscript implies that it has not been previously published and that it is not under review elsewhere.

Language. The preferred language of publication is English. Authors not writing in their mother-tongue are asked to have their manuscripts checked with respect to language and style.

Length of contributions. The suggested length of articles and review articles is 10–30 pages.

Submission of manuscripts. Authors are requested to send their manuscripts in electronic form, preferably as a doc-file together with a pdf version. Manuscripts should have a separate title page with the author's name and full mailing address. Please submit your contribution electronically, by e-mail or on disk. Manuscripts will not be returned.

Style sheet. Contributors are requested to comply with the style sheet which will be sent on request.

Permissions. It is the author's responsibility to request any permission required for the use of material owned by others.

Abstracts. Authors submitting articles and review articles are requested to include an English abstract of about 100 words.

Referee system. The journal uses a referee system in order to ensure a high standard. The anonymous reviewers will only read copies of the contributions without any identification of the author. While they may give suggestions for improvements, they are not obliged to specify the motivations for their decision to recommend or not to recommend publication in each case.

Proofs. Authors will receive one copy of the first proof, which, duly corrected, should be returned normally within two weeks. Changes against the original manuscript must be avoided or kept to a minimum.

Free author copies. Authors will receive a free copy of the volume in which their article appears. Additionally they will receive the print-ready pdf-file version of their article.
